Geography ~

AAPAE is negotiating for performance sites in three "performance zones."

1. Downtown London on the Thames River (note AAPAE Performance Zone within rectangle)

See page 2
for other
venue
zones

The composite image includes:

- A small map of the United Kingdom in the top left corner, highlighting the location of London.
- A large, detailed map of London in the center, showing the River Thames and a red rectangle labeled "AAPAE Thames River Performance Zone" in the central area. Arrows point from this zone to various landmarks.
- Photographs of several London landmarks: Buckingham Palace, Piccadilly Circus, Tower Bridge, Parliament, Big Ben, and the London Eye.
- Other landmarks shown on the map include the Royal Albert Hall, Victoria & Albert Museum, and the Houses of Parliament.
